Train the Trainer, \$30 per student	November, 2016 – Stevens Point

Thank you for using our Mine Safety Course registration system. In order to properly fill out the registration form you will need to provide the following information:

Sponsor Company Name
Name of your Office Contact / person responsible for training
Daytime Phone Number
Street and/or Mailing Address
Zip Code
County
Valid Email Address
Copy of Training Plan

We will also need to know what type of operation you have (Surface Mine,

Independent Operator, other) and how many people will be in the class.

You will need to tell us what topics you want us to teach.

Important Note: If any companies will be taking class with you, you will need to provide the following information about them as well:

Company Name
Name of your Office Contact
Daytime Phone Number
Street and/or Mailing Address
Zip Code
County
Copy of Training Plan

We will also need to know what type of operation they have (Surface Mine, Independent Operator, other) and how many people will be in the class *from each other company*.

To meet MSHA's record keeping requirements, provide the student's full name, including full middle name, and Jr., Sr., III, as applicable.

Should you have any suggestions or comments contact Amy Millard at 608-266-1816 or David Vriezen at 414-416-3196.

Thanks again for using our on-line registration system.
